MODERN TECHNOLOGY WITH CLASSIC INSERT FEATURES

The Traditional Series takes inspiration by it's timeless yet elegant style and exceptional quality. The heater and vents are concealed in the inner top of the unit and allows for a true clean appearance. Enjoy the brilliant flames of your fireplace even while the heat is off for ambiance during every season. This timeless fireplace will allow you to breathe new life into any space while adding warmth and ambiance.

TRADITIONAL BEAUTY REVAMPED

FEATURES

- Zero emissions, compared to gas and wood, but with traditional looks
- Approved for Indoor and Outdoor Use
- State of the art Fire and Ice® flame set with a click of the remote change the flame from traditional colors such as orange to more contemporary blue, purple, rose and violet colors
- Can produce up to 1200W
  4096 BTU heat, Heats approx. 400 sq ft
- 2 stage heater
  Flame operates with our without heat
- Hard wire ready
  Thermostat hard wire ready
- Remote control for flame and heater
- 2 Flame sets. Ambient canopy lighting in 13 colors illuminates media like never before
- Heater is located in inner top of the unit, thus allowing the heat to cascade down over the top of the glass
- Hidden venting allows for a true clean face appearance

Images are not to scale, please visit your local dealer to view the actual accessories.

Variations in the color and shade are inherent in all printing processes, the actual colors may vary slightly from those shown.

(Depending on the size of the fireplace model, some logs may not be needed.)

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover .09290304m^2
